

SECTION A-A

**NOTE:**

\* The sink should be inspected by the customer upon receipt and before any preparation for installation.

Any defective sink should be reported immediately and should NOT be installed.

\* The cardboard template included in the sink package is supplied only as a guide.

The actual use of the sink provides more accurate cutout.

\* Requirements may vary for installation in a granite, marble, stone, or butcher block countertop.

\* Installation by professional installers is highly recommended.

Dawn assumes no liability for any damages incurred through the use of information provided in this publication or the installation.
